This product is packaged with a limited warranty, the acceptance of which is a condition of sale. This product has been tested for quality assurance and it or its components may have been recycled.

* Free basic technical support provided for 90 days from date of purchase. Premium technical support also available on a paid for basis.

† Maximum wireless signal rate derived from IEEE standard 802.11 specifications. Actual data throughput and wireless coverage will vary. Network conditions and environmental factors, including volume of network traffic, interference, and building construction may lower actual data throughput and wireless coverage. On Networks makes no express or implied representations or warranties about this product's compatibility with any future standards.
